**Message to the Congress on
Continuation of the National
Emergency Protecting the
Development Fund for Iraq and
Certain Other Property**

May 20, 2004

To the Congress of the United States:

Section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)) provides for the automatic termination of a national emergency unless, prior to the anniversary date of its declaration, the President publishes in the *Federal Register* and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date. In accordance with this provision, I have sent the enclosed notice, stating that the national emergency declared in Executive Order 13303 of May 22, 2003, as expanded in scope by Executive Order 13315 of August 28, 2003, protecting the Development Fund for Iraq and certain other property in which Iraq has an interest, is to con-

tinue in effect beyond May 22, 2004, to the *Federal Register* for publication.

The obstacles to the orderly reconstruction of Iraq, the restoration and maintenance of peace and security in the country, and the development of political, administrative, and economic institutions in Iraq constituted by the threat of attachment or other judicial process against the Development Fund for Iraq, Iraqi petroleum and petroleum products, and interests therein, and proceeds, obligations, or any financial instruments of any nature whatsoever arising from or related to the sale or marketing thereof, pose a continuing unusual and extraordinary threat to the national security and foreign policy of the United States. For these reasons, I have determined that it is necessary to continue the national emergency protecting the Development Fund for Iraq, and certain other property in which Iraq has an interest, and to maintain in force the sanctions to respond to this threat.
